SAFER STUDIO POLICY

TDC requires all staff and students to stay home when they are ill. Staff and students must be fever free for 24 hours (without the aid of fever reducing medication) before returning to the studio.

In order to reduce community spread of Coronavirus, we follow best practices and recommendations from our local health department and from our industry associations, More Than Just Great Dancing!® and Youth Protection Advocates in Dance.

Therefore TDC focuses on a hierarchy of measures beginning with keeping ill people home, followed by frequent hand cleaning and good hygiene practices, amplified cleaning, and curricular and facility adaptations to minimize contact and mingling where possible. In the event a class is unable to be held at the studio, TDC will convert to an online learning platform until in-studio classes can resume.
